Minutes from Last Meeting. The October minutes were read and approved with changes.

Post Office. Jane is resigning. Hopefully someone from Malta will take over delivery. The new route works better for someone living in Malta.

Bus Issue. No progress has been made on the bus issue.

History Project. Janice Durfee purchased a camera for \$249.00. It allows HD videos to be taken. We can also use it for other projects requiring photos.

Calendar Project. Clark Ward suggested that the community should be asked for photos to be used for the calendar project. Tom Harper will make a sign asking for photo donations that can be posted in the store.

School Bond Vote. The vote is coming up in December. This is for a new high school and ag building. The funding interest rate is good. This is a good time for a bond issue.

Election Vote. Clark Ward reported that the November election had a 63% turnout in Cassia County. He also said that Craig Reinheart will be presented as a replacement for the County Coroner's office.

Area Drilling. Test holes will be drilled in the Narrows area above the gravel pit. The hope is to find more hot water.

Guard Rail Issue. Stan Lloyd reported that the state takeover of the Elba-Almo highway is not a done deal. It would be good to get Commissioner Crane to our next meeting to hear what is going on and perhaps talk to him about a strategy to see if we can get the state to improve the big fill section.
